

Scouting for Food 2009

Will Your Unit Participate?

In February of the last six years (2003-2008), Thunderbird District Cub Scout Packs, Boy Scout Troops, and Varsity Crews collected food and other non-perishable supplies to donate to local food pantries. The number of units participating, the number of people participating, and the amount of food and other supplies collected has grown significantly over that time. In 2008, more than 1,350 boys, siblings, and adults, from 30 units, collected more than six tons of food! We invite all Thunderbird District Packs, Troops, and Crews to participate in Scouting for Food 2009. Almost half of the District's units participated in 2008 – let's exceed that this year.

If your unit is interested, please fill in the following form, and mail or email it to Kevin Doyle. If your unit's contact person has email, that will be most convenient. Otherwise, please provide a postal address. Thanks!

Our _____ is interested in participating in
(Pack, Troop, Team, Crew) (Unit Number)

Thunderbird District's Scouting for Food 2009. Our tentative plan is to:

Possibilities include

- a. Distributing flyers in a defined area between Feb. 7 and Feb. 20, and then returning to that area on Saturday, Feb. 21 to pick up food bags.
- b. Placing a food collection box or boxes in a local school, church, store, etc., and periodically collecting from the box.
- c. Any other plan which works for your unit youth and adults.

We will be able to firmly commit to this (or a revised) plan by November 30, 2008. [This date allows us to recruit printers to prepare the door hangers for free, and give them enough time that they can schedule this work around their other (paying) work.]

Our unit's Scouting for Food contact person is

Name: _____ Email: _____

Address: _____

Telephone: _____ (home, cell, work)
