

Webelos Overnight

June 4, 5 & 6, 2010

Thunderbird District – Three Fires Council, BSA

Green Valley Forest Preserve

Naperville, IL

Your Troop's help is requested to help provide an outdoor program for Thunderbird District's Webelos and their parents.

Troops are asked to help with the following:

- Assist first and second year Webelos dens with their outdoor skills and activity pins.
- Setup your troop campsite to help impress the Webelos and their parents.
- Exhibit what a troop does on a campout.
- Demonstrate how a boy lead troop works.
- Assist them in having fun in the outdoors while learning.

In return for your assistance your troop leaders are encouraged to talk with parents while scouts are teaching and learning.

- Educate parents and scouts about your Boy Scout Troop
- Promote Scouting to assist in recruiting efforts.

All you need to do is participate, look sharp, give Scouting a good name and have fun.

All your food will be provided for your troop at this event.

Activities

Past Webelos Overnights have included the following Activity Pins:

- | | |
|---------------|--------------|
| - Engineer | - Fitness |
| - Forester | - Geologist |
| - Handyman | - Naturalist |
| - Outdoorsman | - Readyman |
| - Scientist | - Traveler |

We would like to continue these as they were a hit last year. The Troops that worked with these events last year has right of retention for this year. We will also need scouts to assist with the following activities – Campfire, Hike, Arrow of Light Requirements work and Camp inspections.
